## Firemen Hold Annual Meeting

At the Annual Meeting of the Bassano Fire Brigade, held on Tuesday evening of this week, Louie Siminon was returned to the office of Fire Chief for the coming year. Mr. Siminon has occupied this post since September of 1939, and during his term of office has spared neither time nor effort in attending to the numerous duties connected with the work.

Reports read at the meeting indicate that there has been only one emergency call during the past year, that when women on a vacant lot caught fire and caused damage to nearby residences. Several Fire practices were held throughout the year, at which members of the Brigade responded to the call in commendable time.

At present there is one vacancy in the ranks of the Brigade, the departure of N. E. Hinton, who moved recently to the coast. Local men who are members of the organization are as follows: L. Siminon, L. Edwards, Geo. E. Smith, Art Bowman, J. Frazer, H. H. Beeber, Dr. B. E. Barlow, Geo. Lepage, Floyd Goudie, H. T. Johnson, Tom Hansen, J. J. Redmond, M. A. MacLean, A. J. Harris and Stan Hakken.

Dr. B. E. Barlow, head of the committee in charge of the Annual Dance Sponsored by the Brigade and held last month, read his report, which showed that the organization had collected a total of \$104.00 from its effort. At present \$80.00 has been turned in to the secretary, and there are still a few dollars to come in from ticket sellers in rural points. A hearty vote of thanks was extended to Dr. Barlow for his capable management of ticket sales, and arrangements for the dance.

As was advertised previous to the dance, proceeds of the entertainment are to be spent in sending cigarettes and comforts to boys from the district serving overseas with the C.A.F. Dr. Barlow was appointed head of a committee, to be assisted by Floyd Cary and Geo. E. Smith, to make arrangements for the sending of these parcels as early date as possible, in hopes that some of the boys over there would receive them before Christmas. Additional shipments will be made from time to time in the future.

A letter of resignation from Mr. H. H. Beeber was read to the meeting. Mr. Beeber for the past number of years has faithfully served the organization in the capacity of Secretary-Treasurer, an office in which he took quite an interest, and managed to the interests of the members. It was with regret that the resignation was accepted, but Mr. Beeber will remain an active member of the Brigade and continue to contribute to the welfare of the organization. Mr. Geo. Smith was appointed secretary-treasurer to succeed Mr. Beeber.

The customary banking notice was passed at the meeting, giving the Fire Chief or assistant chief, or A. C. Bowman, and the secretary-treasurer, power to conduct the banking business of the association.

The Brigade have invested two hundred dollars of their Benevolent fund, and forty dollars of their general fund in the purchase of War Saving Certificates.

The Rosemary boys are planning on starting to build a hockey rink for their use during the winter.

## Local Pastor Married In Medicine Hat

LAINE—REID

The residence of Rev. Wilfred F. Butcher, 282, 1st St. Medicine Hat, Alta., was the scene of a quiet informal wedding on Monday evening at 6 o'clock, when Myrtle Mary Elizabeth, daughter of Mr. and Mrs. Wm. Reid of Whitewood, Sask., became the bride of Charles F. Laine, son of the late Mr. and Mrs. Wm. H. Laine of Newcastle, Alberta. The ceremony was performed by Rev. Butcher, and took place before the fireplace in the living room, which was decorated with white and yellow chrysanthemums. The bride was becomingly attired in a dress of blue knobby wool trimmed with gold, and wore a corsage of Tallman roses and a pair of Silk Velveteen trimmed in blue and gold. The groom's gift to the bride was a Silver Fox Fur Scarf and the bride's gift to the groom was a gold signet ring, set with diamonds.

Following the ceremony, dinner was served at the New Club Cafe, Medicine Hat.

Mr. and Mrs. Laine will take up residence at the Manse in Bassano, Alberta, where Mr. Laine has charge of the Knox Presbyterian Church.

Congratulations of the citizens of the Bassano district are extended to the happy couple.

Bill Stiles of Bassano was the lucky winner of the Shetland Pony, donated to the local Red Cross Branch by Mr. Wheeler of Rosemary, and drawn at the Board of Trade Dance in the Masonic Hall on Friday evening last, Nov. 15.

Miss Winifred Playfair drew the winning ticket from a pool during an intermission of the dance. Proceeds of the raffle, which was conducted by the Board of Trade, amounted to \$22.28. The secretary of the organization expressed deep satisfaction at the co-operation of ticket sellers, who hastened to distribute and sell tickets on the night in all parts of the district.

The dance netted the Board of

## POULTRYMEN'S FLEBISCITE MEETING TO BE HELD IN BASSANO

Great Britain wants to buy Alberta eggs but, before that market can be supplied, Alberta producers must be in a position to guarantee in advance, that stipulated volumes of eggs will be available at stated times.

In other words, Alberta's surplus egg supplies must be coordinated in order to facilitate shipment to Great Britain. Furthermore, methods of grading must be improved. Last spring, representative poultrymen met in Edmonton and asked the Department of Trade and Industry to help them prepare an egg marketing plan. They set up a working committee which drafted the plan and are now ready to submit it to egg producers of the province for their approval.

The plan will be taken place during the week of November 26 at meetings which have been organized in more than 100 centres. These meetings will be addressed by poultrymen who will explain the plan and, at the close of each meeting, a vote will be taken, all poultrymen will be asked to be given entitled to cast a ballot.

Poultrymen are urging all those interested in producing eggs to attend meetings in their districts and to vote in order that the expression of opinion as indicated by the ballot will be truly representative.

Meetings to be held in this district are as follows: Nov. 20th, 21st, Aldridge, Arrowwood, Calgary, Hwy Hall, evening; Tues. Nov. 26, Rockyford, Arrowwood, Strathmore, Wednesday, Nov. 27, Huxar, after noon, Bassano, evening; Thurs. Nov. 28, Geilich, in the afternoon.

## ROBT. HARPER EXPECTED HOME FIRST OF YEAR

Mr. and Mrs. H. W. Harper of Bassano received word last week that their son, Flying Officer Robert Harper, D. F. C., is expected back in Canada some time before the end of this year. "Bob", as he was known by local citizens, has been serving with the Royal Air Force in England for the past three years, and during this time has distinguished himself on several occasions. The news of his expected return was warmly received by his parents, and all citizens of the town in general.

According to the information given Mr. and Mrs. Harper, Bob is to take over instructors duties somewhere in Canada. At present it is not known just where he is, but all probability he will be stationed in Western Canada.

The exploits of Harper have varied from sinking a German submarine, to being decorated by King George, and he will have many interesting tales to relate to his friends when he arrives home.

It is also understood that Ellis Angell, another former Bassano boy who is serving with the Air Force, has cabled his parents that he expects to come to Canada as an instructor before the year ends.

Mr. and Mrs. Angell visited in Bassano for a few days, and at present are holidaying at the coast.

## To Organize Jr. Hockey Team In Bassano

G. E. Smith Appointed Manager, G. Cahro Secretary at Meeting

At a general meeting of young men and boys of the district interested in the formation of a hockey team in Bassano this winter, a great deal of enthusiasm was shown especially by the younger boys. The meeting was held in the school divisions office on Monday evening of this week, Nov. 18th.

It was the general opinion of those present that a Junior team would not be organized at this point this season, and that the younger boys, up to 20 years of age, should organize a Junior team, and play together for the winter. Prospective players for such a team include Bob Bacon, Jim McBride, Dale McBride, Dick McBride, Ross Young, Jim Hall, Graham Chalk, Jack McLeod, Deane McLeod, George Peterson, Bob Edwards, and Roy Clinch, and there are several others who have expressed a desire to try out with the team when practice commences. All of the boys have had previous experience, many of them with the former senior teams during the past two winters.

Mr. George Smith, who is an ardent hockey fan, was appointed Manager of the Club, a name for which he has been picked as yet.

Mr. Smith was the choice of those present to act as Secretary-Treasurer.

The boys are anxiously awaiting the appointment of a caretaker for the rink, and intend to help as much as possible with repair work, and flooding operations, so that the team may take to the ice as early a date as possible.

It is hoped that readers of the Recorder will be interested in the about the accomplishments of this team throughout the winter, and local businessmen and hockey fans are urged to give support as generously as possible. Hockey enthusiasm in town has divided considerably in recent years, but a revival of this is being looked forward to.

## Hussar Red Cross Active Group

At a meeting of the Red Cross organization of Hussar on Monday evening, arrangements were made for the dance on Friday, November 24th.

Mr. T. L. Montgomery is convener of the refreshment committee. It was noted that the Hawks, through Mr. F. Bruk, donated \$50.00 cash and 20 bushels of wheat. A drive for membership was put on, with the Misses Dorothy Nelson and Helen Janz as committee; they reported good success in their canvassing. Three dances have been put on by the society recently, with Mrs. T. Burdett as convener of the refreshment committee; the last two netted \$38.05 and \$24.21, respectively.

At present the Red Cross is making a drive for funds in this community. It was decided to send in \$100.00 to the Community Chest in Calgary for the Red Cross Knitting and sewing drive being done by the women, and every effort is being made to be of the most service to the Red Cross from this community.

Another Red Cross Dance was held on Friday evening, netting about \$29.00.

The Copper Guard chapter of the Intercollegiate Knights held their annual initiation Sunday, Nov. 17th, in initiation at the Monahan school of Mines was preceded by a dinner at the Chequamegon Cafe in Butte.

The new members are Professor Charles McAllister, Butte, Butte, Moore, Winnett, Bill Love, Helena, Bill Smith, Bassano, Alberta, Canada, Earl Robert, Butte, Tuxton, Baker, Helena, Rino Kangas, Charlton, Wash, Albert, Letey, Kline, and James Archibald, Helena.

The Copper Guard chapter of the Intercollegiate Knights is an honorary service organization made up of outstanding Sophomores at Montana School of Mines.

## HUSSAR

On Thursday, Mr. and Mrs. E. F. Blake motored to Bassano to get their son Raymond, who is recovering after having had his appendix removed.

Miss Anna Moffat spent the week-end at home. On Monday morning Mrs. Moffat and son John, motored to Drumheller to take her, and Robert Tracy and Jess Bell back to attend school there.

We regret to say that David Bell, who has been attending school in Drumheller, has been very ill as a result of the measles, and glad to report that he is on the road to recovery.

A very enjoyable meeting of the Aid was held at Mrs. Lawrie's on Thursday afternoon, with the presence of Mrs. Moffat, presiding. It was found that the Aid has some \$970.00 on hand, and it was decided not to make any attempt to make money till the Valentine Card Party. The program was very enjoyable; a piano solo by Mrs. L. I. Montgomery, a solo by Mrs. H. D. Brown accompanied by her daughter, Ruth, reading by Mrs. P. Pringle and a guessing game which was won by Mrs. T. Lawson.

On Wednesday, Mrs. and Mrs. T. Lawson, and Mrs. George Pugh, motored to Bassano where Mrs. G. Pugh entertained for Winnipeg to join her husband.

Mr. and Mrs. Nelson and Dorothy and Mr. and Mrs. Brown and Ruth, attended a card party in Chancellor Saturday evening; the Misses Lois Nelson and Marjorie Burdett returned with them.

Church Services, with Rev. S. Marshall, of Ogden preaching, will be held on December 8th at 12:30. Mrs. T. L. Montgomery was the convener of the lunch committee. Another dance was set for December.

Another snow storm on Sunday evening again delayed harvesting operations.

### A Good Suggestion

EDITOR DUNCAN of the Drumheller Mail has made a suggestion to the citizens of his city that the decorative street lights, switched on every week-end and over the Yuletide lights, be changed somewhat this year. He proposes that the usual red, green and yellow lights be substituted by red, white and blue ones. This to us sounds like a good suggestion, under present world-wide conditions, and would add a patriotic atmosphere to the main street of the community.

We would like to see a suggestion of this nature made to the local Board of Trade who have several strings of decorative lights erected in Bassano during the holiday season. In all probability this year, as in the past, a large number of bulbs will have to be replaced before the lights are erected. The committee in charge of replacing and erecting the lights could purchase red, white and blue lights just as cheaply as the other colored bulbs, and the effect created would justify the small expenditure. If the Board can not see its way clear to buy bulbs for all strings, at least one or two could be fixed up this way.

### Pay For Prisoners

BY INTERNATIONAL Convention, German officers held as Prisoners of War in Canada are entitled to receive certain pay which is recoverable from the German government. Similarly British and Canadian officers, held in Germany, are entitled to pay, recoverable from the government in whose service they belong.

The governing International Convention is that relating to the treatment of Prisoners of War ratified by the Dominion of Canada on February 20th, 1928 and agreed to by some thirty-nine of the various powers of states. Article 23 provides that officers who are Prisoners of War shall receive certain pay. From this pay, states Lieut-Colonel H. Stethem, Assistant Director of Information Operations, the officers pay for their clothing and food. There is actually no cash transaction, the money being placed to the credit of their accounts, against which they receive Cash when money or make Camp purchases which are subsequently paid for through their accounts. They receive pay according to their rank based on the German rates of pay in Reichsmarks, converted into sterling at a rate agreed on by the Governments of the United Kingdom and Germany, in accordance with Article 23 of the Convention. The rate of conversion from sterling to Canadian currency is that set by the Foreign Exchange Control Board.

Observance of international law in regard to Prisoners of War is insured by bi-monthly inspections made of all Internment Camps in Canada and in Germany by the protecting powers. Canadian interests are represented in Germany by the United States Embassy in Berlin and by the International Red Cross. German interests in Canada are represented by the Consul General of Switzerland and his representatives.

"It must be remembered," Lieut-Colonel Stethem adds, "that British Officers in Germany are also receiving their pay from the German authorities, and the same is recoverable from the British Government. Furthermore, it must be remembered that for every German Officer in Germany, there are, probably, four British Officers held in Germany, and the various people who suggest ill-treatment of these Officers do not realize that such ill-treatment would provide an excuse for ill-treating many times the number of British officers and other ranks in Germany."

"The International Convention Relative to the Treatment of Prisoners of War is one of the few international laws relating to warfare which is, at least to some extent, being adhered to in the present conflict, possibly, because its Articles provide for the employment of a protecting power to ensure its enforcement, and, possibly, because the matters with which it deals provide a practical means of retaliation in the event of non-observance."

### Curfew May Not Be Amiss

CONSIDERABLE unfavourable comment has been going the rounds in town during the past week or ten days with regards to the actions of some of our younger generation. We refer to the acts of vandalism of boys of public school age, acts which have varied from the destroying of other people's property, to taking candy away from children younger than themselves. Needless to say, people of the community are surprised to hear of the doings of these young boys as up to the present time little trouble has been created through their actions. However, now that they are becoming bolder and more frequent with their mischievous and destructive undertakings, it is time that some definite action was taken to correct them.

Parents of the young lads could do more in teaching proper conduct and care for other people's property. However, if parents are not willing to co-operate, more drastic steps can be taken to bring the vandals to task. For instance, reports indicate that a large portion of the destruction to public property has been done during evening hours. In a good number of communities throughout the province, curfew by-laws are in effect, prohibiting children from appearing on the streets after certain hours of the evening unless accompanying their parents. A by-law of this nature could be enacted by the local council, and children would then be forced to stay at home at night. It does not seem fair that all the children of the community should suffer because of the actions of a few, but unless vandalism is discontinued, some definite steps will have to be taken.

A number of boys were given due warning by local police authority early this week. Their good conduct in the future will permit all children of the town to enjoy the privileges they have had up to the present. On the other hand, if they continue their mischief, they will have to suffer the consequences—and neither the parents nor children can say that they have not been warned.

### Guid Sponsors Tea

The Women's Guild of the Anglican Church will hold a Tea and Sale of Novelties, suitable for Christmas Gifts, at the

home of Mrs. S. H. Edwards on Friday, Nov. 29th, from three o'clock to six o'clock in the afternoon.

### Stores Show Plenty To Eat

No Need to Curtail the Christmas Spirit This Year, Thanks to Our Navy. Local stores have ample evidence of the fact that the good things for so long associated with Christmas need not be denied Bassanians this year.

Already many local housewives have prepared their mince meat for the Christmas season and other ingredients for Christmas cakes and puddings are being placed daily with local merchants. Watch the Recorder advertisements for full details as the price and variety.

Due to Britain's control of the seas, the many fruits and other good things that come from distant lands are already arriving in large quantities at local grocery establishments.

There are, for instance, confections, plum puddings and relishes from Great Britain; but also packaged raisins from Australia; spices from India; walnuts from China; figs from Turkey; dates from Iraq; coffee from British East Africa and South America; teas from India and Ceylon, and mardins from Persia.

In some cases the prices are higher than last year, but taking it all around the 1940 Christmas dinner

will not cost much more than last year's dinner or even that of 1938.

It seems that Jap oranges will not be included in any extent in the Christmas menu this year, not because they could not be brought here, but because of the prevailing prejudice against Japan. Last week merchants in several towns decided not to handle the small orange this year.

In place of the small orange, wholesalers are already featuring California tangerines at prices which compare favorably with the Jap oranges. The tangerines are said to be less pulpy and much more juicy than the Japanese product.

In spite of the fact that the war has been going strong for over a year, Canadians have much to be thankful for in the bountifulness of Christmas prospects.
